

IMPORTANT NOTICE

Special Enrollment Requirements from Cigna

This flyer contains important information you should read before you enroll. If you have any questions about this information, please contact your benefits manager.

If you are declining enrollment

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if:

- You or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). If the other coverage is COBRA continuation coverage, you and your dependents must complete your entire COBRA coverage period before you can enroll in this plan, even if your former employer ceases contributions toward the COBRA coverage.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Effective April 1, 2009 or later, if you or your dependents lose eligibility for state Medicaid or Children's Health Insurance Program (CHIP) coverage or become eligible for assistance with group health plan premium payment under a state Medicaid or CHIP plan, you may be able to enroll yourself and your dependents. However, you must request enrollment within 60 days after the state Medicaid or CHIP coverage ends or you are determined eligible for premium assistance.

To request special enrollment or obtain more information, contact our Customer Service Team at 800.Cigna24.

Other late entrants

If you decide not to enroll in this plan now, then want to enroll later, you must qualify for special enrollment. If you do not qualify for special enrollment, you may have to wait until an open enrollment period, or you may not be able to enroll, depending on the terms and conditions of your health plan. Please contact your plan administrator for more information.
